REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Claims 1-48 are allowable because the prior art of record does not suggest at least: a decorative housing having a shape generally resembling a car being configured and arranged for being supported by an upper segment of said light assembly with an upper portion of said housing disposed above the light assembly, said housing including suspension element accommodating structure at said upper portion thereof (claims 47 and 48); said housing being supported by an upper surface area of said assembly with at least an upper portion of the housing disposed between the light assembly and said overhead structure (claims 37-46); said housing being configured and arranged for being supported by an upper surface area of said light assembly with an upper portion of said housing disposed between the light assembly and said overhead structure, there being a suspension member accommodating opening in an upper surface of said housing (claims 27-36); said light housing has a pair of openings therein such that each of said elongated members are extendable through one of said openings such that said light housing may be positioned between the light assembly and the ceiling (claims 11-18 and 23-26); said light housing has a pair of openings therein such that each of said cables may extend through one of said openings such that said light housing may be positioned between the light assembly and the ceiling (claims 1-9 and 19-22); a pair of spacing members, each of said spacing members being positioned between said light assembly and an interior surface of said light housing, a first of said spacing members being between said top wall of said light assembly and said hood portion of said light

housing, a second of said spacing members being positioned between said top wall of said light assembly and said trunk portion, each of said spacing members comprising a block, each of said blocks comprising a foamed plastic material (claim 10).

2. Furthermore, the supplemental reissue declaration/oath properly states the reasons or errors relied on as basis for reissue pursuant of 37 CFR 1.175(b).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Drawings

3. The drawings were received on May 18, 2005. These drawings (amended figure 3) are approved.
